City of Madelia

Join Us September 9th at 6 pm to Share Your Thoughts on Watona Park!

On August 12th, City Administrator Chris Fischer gave us a first look at the preliminary designs for the Watona Park Master Plan during a public workshop at City Hall. The City's been working on this plan for a few years now, and after the recent flood caused a lot of damage to park structures, it's clear that we need to make some improvements.

We'd love for you to join us at 6 p.m. on September 9th for another workshop where you can share your thoughts on the proposed projects. We're especially interested in hearing your ideas about the new playground and how we might use the land in the flood zone. Your input will help shape the future of Watona Park!

Looking for a Loan for your Business?

The City of Madelia is excited to announce that we have been awarded \$99,000 in funds from the USDA! This funding will be used to provide low-interest loans to businesses in the Madelia area.

If you're a local business owner interested in taking advantage of this opportunity, please visit our website for more details:

Your success is our success—let's work together to make the most of this opportunity.

Madelia is now a Certified Smart Rural Community!

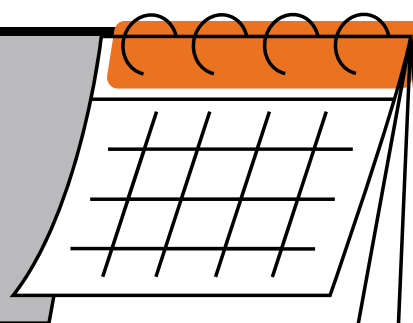

In today's world, high-speed, reliable internet is essential for everyday life. From accessing healthcare to completing schoolwork or attending work meetings, the internet plays a vital role in enhancing productivity.

Madelia and Lewisville were recently SRC certified due to the high speed internet available throughout the communities.
