City of Madelia

City Project Updates: Center Ave and Watona Park

The City will hold a preconstruction meeting the week of March 24th with contractors to finalize timelines and requirements for the Center Avenue Project.

In Watona Park, a new shed has been placed to support operations for the 2025 season. As we work to maintain course conditions, please refrain from using the golf course until Memorial Day.

For updates on City projects, follow us on Facebook (@madeliamn) or visit our website.
