

Center Avenue Newsletter

Issue No. 8

June 23rd

Project updates

- **NO CHANGES HERE:** Sewer bypass will be set up on the west side of Center Ave from 5th street to 2nd street beginning 6/16. This means that all driveways on the west side will be inaccessible. Please use side street parking and/or the church parking lot.
- **NEW:** Weather pending; there will be an interruption to water services on Tuesday June 24th at approx. 8AM with a duration of 2-4 hours (this is an estimate). The hope is that the interruption will only affect homes on 3rd st. SE from Center to Adams. However, there may be a need to shut down more services in the order noted on the map below. (the order is tentative).

- No update on Tree Story with tree removals on the north Center at this time.
- Old Hwy 60 South remains closed.

Don't Miss Out on Updates!

Visit our website to get signed up at:

www.madeliamn.com/center-avenue-reconstruction-project/

In addition to updates via our website, email and FB, we will also use CodeRed to reach out to residents when and if needed.

If you are not signed up for CodeRed, please do so by texting WATALERT to 99411.

Construction schedules are subject to change depending on weather and/or complications that come with the project.
