

# Center Avenue Newsletter

Issue No. 9

June 30th

## *Project updates*

- NO CHANGE: Sewer bypass will be set up on the west side of Center Ave from 5<sup>th</sup> street to 2<sup>nd</sup> street beginning 6/16. This means that all driveways on the west side will be inaccessible. Please use side street parking and/or the church parking lot.
- Tree Story will return early this week to begin the tree removal process on north center ave.
- Old Hwy 60 South: Nielsen Blacktopping is scheduled to pour curb early this week. They are then projecting to pave 7/7 & 7/8 to have it open and ready for the Park Days Parade.
- Please make sure you have your trash/recycling receptacles labeled with your address so the contractors can make sure they get back to the correct property.
- GM will NOT be working July 4<sup>TH</sup>, please have your recycling out on the evening of 7/4/25, they will pick them up on Saturday morning to be emptied. They will then return the canisters on Monday morning.
- Please note that when the temporary water line is removed and your residence is hooked up to the new infrastructure, you will notice cloudiness with your fresh water. This is normal. Causes:
  - Air in the system
  - Pressure changes
  - Stirred up sediment- allow your water to run

***Don't Miss Out on Updates!***
