City of Madelia

Share Your Ideas for the Future of Watona Park

The City of Madelia is working with the University of Minnesota to plan future improvements for Watona Park and the riverfront area. We want to hear from residents and visitors about how you use the park and what changes would make it better for you, your family, and the community.

Please take a few minutes to complete this short, anonymous survey. Your input will directly shape the future of Watona Park.

As a thank-you, you can enter a drawing for local gift cards after completing the survey! (Entry is optional and responses will remain anonymous.)

Deadline to complete the survey: August 31st, 2025

Find the survey on our website: www.madeliamn.com/watona-park-master-plan/

City Garbage Service Transition Underway

Madelia Sanitation has officially transferred service to West Central Sanitation. Letters have been mailed out to residents with instructions on choosing a new garbage can size—please respond promptly to ensure timely delivery.

For now, continue using the orange bags and stickers. Note: dumpster requests and large item pickups must now go through West Central Sanitation directly at [1-800-246-7630](tel:1-800-246-7630) or via their website at www.wcsanitation.com.

Welcome to Madelia's Newest Firefighters

At the July 14th City Council meeting, four new firefighters were officially approved to join the Madelia Fire Department: **Jaden Durham, Tanner Mueller, Jedric Altenburg, and Jesus Lopez**. We're grateful for their commitment to serving and protecting our community—welcome to the team!

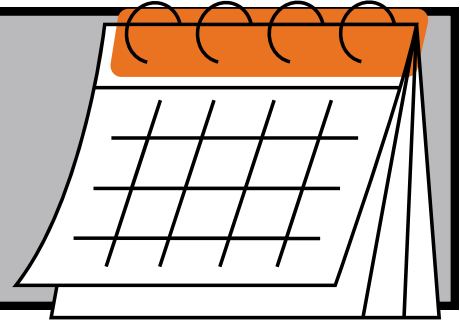

Construction Season Ongoing

Center Avenue remains closed from Old Hwy 60 SE up to 2nd St. Keep an eye out for updates on the City of Madelia Facebook page or read the latest on the City website at www.madeliamn.com/center-avenue-reconstruction-project.

August Calendar

8/11: City Council
8/28: City Council and EDA
9/1: City Hall Closed

Thank You, Park Days Volunteers!

A huge thank you to the many individuals who made **Park Days** and **the All School Reunion** a success—despite road construction and busy schedules, your hard work brought the community together for a truly special weekend.

Whether watching My Hometown at the Madelia Theater, trying a hand at the beanbag tournament, or reminiscing with old classmates about memories from years gone by, everyone got a taste of Madelia, the **Pride of the Prairie**.

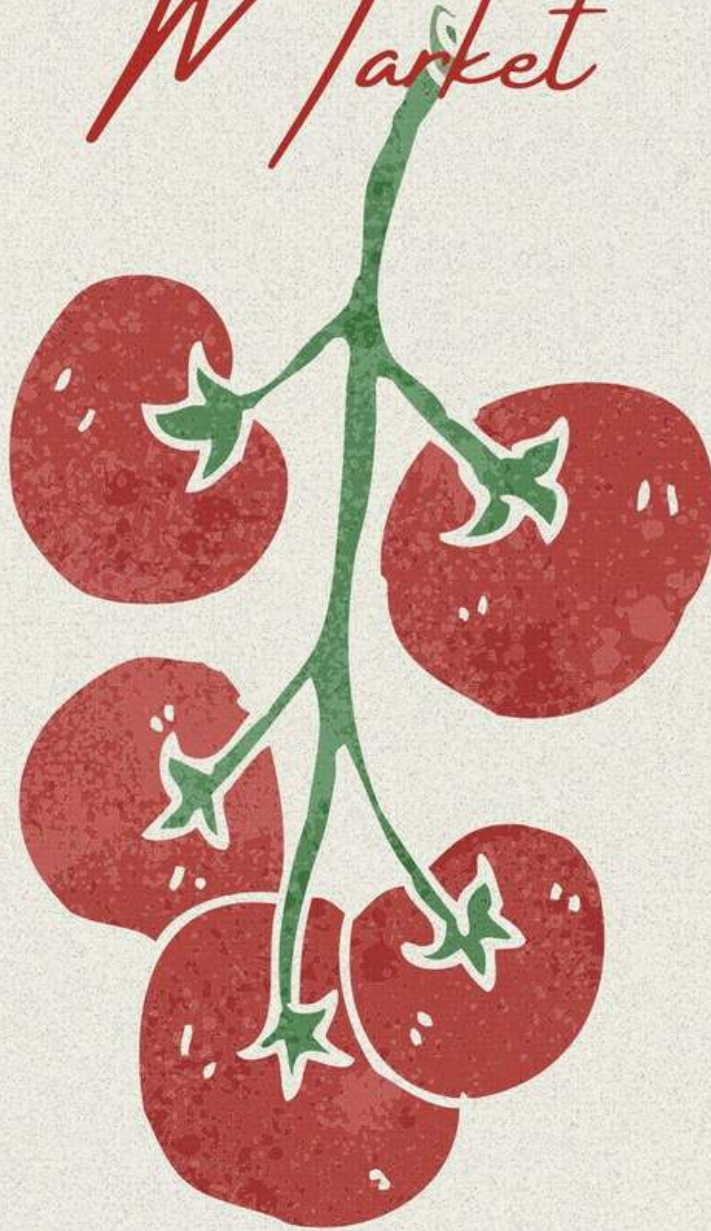

Congratulations to Madelia Health!

Madelia Health was once again honored with the Star Tribune Top Workplace award for the second year in a row. During the announcement, they also shared plans to expand services to New Ulm. We're proud to see Madelia Health continue to grow and be recognized for its exceptional workplace culture.
