

Center Avenue Newsletter

Issue No. 10

July 3rd

Project updates

- GM will NOT be working July 4TH, please have your recycling out on the evening of 7/4/25, they will pick them up on Saturday morning to be emptied. They will then return the canisters on Monday morning.
- Beginning July 7th, 4th street from center to abbot will be closed. Homeowners on this stretch will need to utilize the church parking lot for parking.
- Tree Story has begun tree removal on north center ave.
- Old Hwy 60 South: Nielsen Blacktopping was able to get the curb poured. They are still projecting to pave 7/8 & 7/9 to have it open and ready for the Park Days Parade.
- Please note that when the temporary water line is removed and your residence is hooked up to the new infrastructure, you will notice cloudiness with your fresh water. This is normal. Causes:
 - Air in the system
 - Pressure changes
 - Stirred up sediment- allow your water to run
- Please make sure you have your trash/recycling receptacles labeled with your address so the contractors can make sure they get back to the correct property.
- With Park Days and the all school reunion next weekend, we expect high traffic in town. If you have family and friends coming to visit, please inform them of the construction so you can plan ahead for parking arrangements.

Don't Miss Out on Updates!

Visit our website to get signed up at:

www.madeliamn.com/center-avenue-reconstruction-project/

In addition to updates via our website, email and FB, we will also use CodeRed to reach out to residents when and if needed.

If you are not signed up for CodeRed, please do so by texting WATALERT to 99411.

Construction schedules are subject to change depending on weather and/or complications that come with the project.
