City of Madelia

Welcome Back to School!

The City of Madelia wishes all students, teachers, staff, and families a wonderful start to the new school year. Back-to-school season is always an exciting time for our community—full of new opportunities, friendships, and growth.

As part of our efforts to keep students safe, the City has installed new No Parking signs on Buck Ave S near Madelia High School. These changes are intended to ease congestion and improve traffic flow during drop-off and pick-up times, helping create a safer environment for students and families.

Thank you for doing your part to keep our school zones safe. Let's make it a great year in Madelia!

Center Ave Reconstruction Continues

During the week of Sept 2-5 (weather pending), crews are projecting to set up the temporary sewer bypass which will affect True Value, the Insurance Center and Enterprise. While the bypass is set up, expect traffic to be affected in the area.
