GENERAL INFORMATION

A \$100.00 water meter deposit is due upon application for services for all applications. This deposit will be returned upon completion of paying your bill on time for a period of one year. Should you fall delinquent, the deposit may be applied towards payment of said bill. Bills are sent out on a monthly basis. Payments are due on the 18<sup>th</sup> of every month by 5:00 p.m. If payments are not received by the due date (18<sup>th</sup> of month), a 10% penalty will be charged to the account.

The City of Madelia will give notice to discontinue water service to accounts remaining delinquent after the due date. Discontinuance of water service shall be carried out under the provisions of the City Ordinance. You will be charged an additional \$50.00 reconnect fee if your delinquent utility account is turned off by the City's Water Department.

Any amount past due for water charges may be certified to the county auditor for collection with real estate taxes in the following year in accordance with MN Statutes 444.075. This certification will be made regardless of who applied for water services, whether owner, tenant, or other person, these charges are filed against the property.

When **moving out**, a final date along with a forwarding address must be provided to the City at least 14 days prior so a meter read-out can be ordered for the move-out date.

Please include a copy of your driver's license with your completed application.
