Recurring Payments Will Make Your Life Easier:

- It's convenient (saving you time and postage)
- Your payment is always on time (even if you're out of town), eliminating late charges

Here's how Recurring Payments Work:

You authorize regularly scheduled charges to your checking or savings account. You will be charged the amount indicated on your monthly utility statement for each billing period. The charge will appear on your bank statement as an "ACH Debit." You agree that no prior-notification other than your monthly billing statement will be provided at least 10 days prior to the payment being collected.
