Center Avenue N Reconstruction Updates

Construction continues on Center Avenue this month. Center Avenue North remains closed from Main Street to 2nd Street North, and the 3rd Street intersection is anticipated to close during the next phase of work.

Residents and visitors are encouraged to plan ahead and allow extra time when traveling in the area. Please continue to support the businesses located along the construction route. For the latest updates, including business access maps, workshop recordings and presentations, and full project newsletters, visit:

Kindness Found in Madelia

On May 19, Madelia welcomed Nahla Summers during her 2,000-mile "Challenge of America" journey, where she is using her route to write the word KINDNESS across the United States.

As she traveled through Madelia, Nahla experienced firsthand some of makes our community special. She enjoyed lunch at La Plaza Fiesta, spent the night at the Madelia

Campground, and received a massage from local therapist Massage by Jesus before continuing her journey.

Nahla's visit is a reminder that the friendliness, hospitality, and support offered by our local businesses help shape how visitors experience Madelia. As she carries a message of kindness across America, we're proud that a small piece of that journey led through our community.

Help Shape Transportation Options in Madelia

We're working with Madelia Health to better understand transportation challenges in Madelia. If you've had trouble getting to appointments, work, or groceries (or know someone who has), we'd really appreciate your input.
